Dear Parents and Carers

PARENT GOVERNOR VACANCY

The Governing Body has a parent governor vacancy, and we are looking for a willing volunteer to step forward to fill it. It is an opportunity for someone to help with the continuous effort to make our school the best that it can possibly be – for example, on attainment and safeguarding.

As part of the Governing Body, this person will help to set the strategic direction for the school, ensure appropriate accountability and act as a ‘critical friend’ – which means a trusted person who challenges the school constructively and helpfully. He or she will always act in a supportive way.

Every governor has an important role to play, and it is a big commitment. This includes attending training sessions and evening meetings of the governing body, reading the paperwork and preparing for meetings, and working as part of a team of dedicated governors on matters as diverse as safeguarding, standards, curriculum, finances, premises, and attendance. Governors always report that the more time and effort they put in, the more rewarding they find the role.

If you think you have something to offer the school in this role, and would like to join the team of governors at St Clement Danes – who do what they do because they really care about our school – then please get in touch with Mrs Starkey in the school office.

We’d love to hear from you – you would be joining the largest volunteering force in the UK!

Yours sincerely

Daniel Bentham
Chair of Governors
