

# St Clement Danes Mission Statement

At St Clement Danes children take their place in the history of a Christian school founded more than 300 years ago.

Our values – friendship, thankfulness, wisdom, forgiveness, endurance and service – are our anchor. We seek to:

- Foster the spiritual and moral development of our children within a caring Christian community.
- Work in partnership with parents and carers, celebrating our community's rich cultural diversity.
- Stimulate and challenge every child, in every lesson, every day – through a vibrant, creative curriculum and the imaginative use of technology.
- Give children a proper voice in their education and to listen to that voice, helping them to understand their rights and responsibilities as confident citizens of the future.
- Ensure everyone achieves their full potential and uncovers their talents in a safe, enjoyable environment.

Applying our school values to all that we do produces happy, resourceful children, who achieve their very best and recognise their unique value in the world.
