**Francesco, Year 5**

Our star has shone for a long time. Whether it is enthusing about getting between the pages of a book, sharing their experiences or writing in a profound way, they always impress!

One minute they're a detective solving the mystery of the century; they even find themselves in bog-ridden Ireland; sometimes they befriend hunchbacked recluses who find it hard to live in the real world; and then they are the skilful, courageous and genuinely good heavenly archer who with one pluck of the string of their bow splits open the tree trunk which a thousand men with arms outstretched could not span.

Somehow they're back down to earth again with a bang...taking on challenges like the geographical terrain of the western lowlands of China, writing with wonderful figurative language about all the things they learn and know and thirst for...

This student is a spelling wizard, a splendid cricketer, a tremendous tennis player but most of all they bring brightness to every day at St Clement Danes School. Year 5 are incredibly proud of you.....Francesco!
