Dear Parents and Carers

The children are looking forward to entertaining you tomorrow at 2pm at the Peacock Theatre.

Please remember to bring your ticket to the theatre. We are asking children not to bring book bags in on Tuesday. We expect the show to last about one hour which means your child will be dismissed from school at 3:30pm as normal after the show.

Huge thanks to the LSE and Peacock Theatre for generously hosting us again this year, to the police for accompanying us to the show, to our amazing school staff, to all of you for your support and of course to the wonderful children of St Clement Danes!

Best wishes

### The Wizard of Oz Performance

We are looking forward to welcoming you to the performance tomorrow.

At the end of the performance, parents will be asked to leave the theatre before the children and staff. If you would like to accompany the children back to school, please gather on the pavements outside the theatre (not in the foyer) and ensure that you leave the exit clear for the classes to follow out after you safely. The children walk back to school after the show and will be dismissed in the normal way in the playgrounds.

Of course parents are welcome to accompany their children back to school but please make sure your child stays with their class, near their teacher so that teachers are able to see each child in their class at all times. When crossing roads, please stand back and allow the classes to go first as there is limited space on the traffic islands. Many thanks for your support with this.

**Laura, Year 6**

This week's star is full of luminosity and always enters the school gates ready for a day of learning and new experiences with a massive smile on her face. In fact, her smile is so big it may just be infectious as all who have the pleasure of her company always end up smiling too.

This week's star is a very positive, determined individual. She strives to achieve and is always searching for ways to improve her work. She actively seeks out answers and explanations and when she finds something out she shares her knowledge with her classmates therefore adding to their learning too. If she finds a task difficult she will try her very best to complete it.

As well as having a super attitude to learning, this week's star is a very kind, caring and considerate individual. Everyday this week's star shows her caring and compassionate personality: helping not only adults within the school but those who are younger than herself too. She is proud to wear the St Clement Danes uniform and is a perfect ambassador for the school.

This star thoroughly deserves to be Star of the Week, she has been a shining star in Year 6 for quite some time but now it is time for you to shine just that little bit brighter so that the whole of St Clement Danes can spot you from afar. Well done Laura, you're the star of the week!
