

Tuesday 18th September 2018

Dear Parents and Carers

Class newsletters were sent out yesterday by class teachers. Class newsletters contain lots of information about the curriculum and learning that your child will be doing this term, so please do read them carefully.

Thank you for signing up for Parents' Evenings which will take place upstairs in the school hall next week on Monday 24th September and Wednesday 26th September after school. We look forward to seeing you then.

Best wishes

Patricia Coxhead
Headteacher

Value of the Term

Nursery Places

We have a few places available in our wonderful school Nursery, so if you know anyone looking for a free Nursery place, 9am to 3:15 daily, please contact the school office for an admissions form.

PTA Meeting

All parents and carers are warmly invited to the first PTA meeting of the new school year this Thursday at 9:15am in Twining Hall.

Air Quality

Improving air quality for our children is a key priority for our school. We are working closely with partners at the Mayor's Office and Westminster Council to take action this year. Your support and ideas are of course always much appreciated and there will be more updates to follow!

School Comms

Thank you for signing up to the School Gateway /School Comms app. Please note that this app only allows you to receive (not send) text messages. To contact the school, please phone the number below.

School Council Elections

Election fever has hit St Clement Danes! It has been lovely to hear the children's manifestos and find out why they would like to be elected on to the School Council. Children have visited our polling station in the library today to cast their votes and the results will be announced later this week.

Star of the Week

Omar, Year 1

*The start of a brand new year is here,
It's time to celebrate, clap and cheer.
But before we look too far ahead,
Let's talk about our first full week instead.
There's been reading, writing and science too,
Maths, PE and Art to name a just a few.
And to this week's star, this is all so new,
But never have I seen them looking sad or blue.
Instead they've shown us how to be a great friend,
A helping hand- they're always willing to lend.
They have always been trying their very best,
No matter how hard the new changes get!
We have all been amazed by this boy's inquisitive mind,
Trying hard to ask and answer questions, all of the time.
I'm sure in Year One his enthusiasm will continue to grow
His happy, smiling face will always glow...
St Clement Danes is so lucky to have this star,
So listen up carefully, because it's you- Omar!*
